

DANGEROUS VISION

Psalm 24

SUMMARY...

What do you want to see as a result of your 'Dangerous Prayers?' That is, if God answered every prayer that you've prayed in the last 17 days, what would you see happen in your life and in the life of our church? For those who haven't experienced the dangerousness of prayer yet, perhaps it's because we lack a Dangerous Vision for what we want to see God do in our midst. That is, perhaps we're not praying for a move of God. To have a dangerous vision for what could be is what will inspire a life of dangerous prayers. And, a vision for God to move happens when we submit to His **Control**, **Consecrate** ourselves, and long for the Spirit to **Come**.

CONNECT & LEARN

1. If God answered every prayer that you've prayed thus far, what in your life would be different? What in the life of our church would be different?
2. Read [Psalm 24](#). Focusing on verse 4 - when you think of consecration (clean hands, pure hearts, destroying idols and areas of deceit in your life), what aspects of your life have you not been able to hand over to God? What would consecration tangibly look like for you?
3. If we are to be "the generation of those who seek him" (verse 6), what would your Dangerous Vision be? Have fun dreaming with a Dangerous Vision! If you were to witness a move of God in your life, what would you love to see God do in your relationships, in your neighborhood, in your city, in this region? What are you longing most deeply to be redeemed?

PRAY!

1. Open in prayer and pray for a move of God. Pray for the Spirit to come and for God to move over the dangerous visions you and your GROUP shared.
2. Pray for consecration among this generation. Ask God to reveal areas that we haven't handed over to Him, repent of these strongholds and seek God to tear down the walls that secure these things in your life.
3. Pray for GENESIS North Shore and Above the Hills to be strengthened in the power of the Spirit, to be received with favor in their communities, and for them to see God move mightily on the North Shore.
