DELIVERED

Romans 7:1-13

[Watch & Listen Now](#)

v.1-3 – If through faith in Jesus we have been freed from the law {performance} why do we continue to live as if we must perform to earn something from God? In what ways do you perform for God?

v.4-6 – The result of ‘being’ in relationship with Jesus is that we will bear ‘fruit to God’ – what kind of ‘fruit’ are you seeing in your life right now? What are some things that might be hindering ‘fruit to God’ in your life?

v.7-10 – Why does something good (the law) produces something bad in me (death)? How does this serve to show our need for another kind of righteousness (a righteousness that comes through Jesus)?

v.11 – Paul says we have been deceived by sin and thus brought to death. In what ways does sin deceive us and why do we believe this deception?

v.1-13 – What role should the OT Law play in my Christian life? Are we called to observe the law, obey the law or can we now ignore the law?
