

A New Way to Give

At GENESIS, we like to make things as simple as possible. We know that finding that App on your phone or remembering the GENESIS giving page isn't always convenient.

Well, we are excited to roll out a new giving option that will make it simpler for you to make donations. We've just added Text to Give!

Text to Give allows you to give to GENESIS without needing to go to our giving page or our Church Center app and avoid clicking all those buttons! You just send us a text.

It's super easy. All you have to do is text the amount you want to donate to **84321**. For example: "10" to 84321.

When you initiate your first Text-to-Give donation, our system will respond with a message that includes a setup link. Tapping this link will take you to your mobile browser, and walk you through these steps:

- **Find your church:** Giving will use your geographical location and phone number to suggest churches nearby (within 20 miles). If your church is not listed, or the donor isn't within the geolocation radius, they can search by your church's address, city, or ZIP code, and filter results by church name.
- **Log in to your profile:** After choosing a church, you will be asked to enter your name and email address to either create a new donor profile (first time donors), or log in to access their existing donor profile (returning donors).
- **Add or select a payment method:** First-time donors can add a payment method to be used for this initial donation and future donations. Existing donors can log in to their profile to select a previously saved payment method.
- **Submit the donation:** Once a donor submits their donation, this will initiate that first donation and enable Text-to-Give for future use.

Text to Give Options

Text to Give offers some pretty cool features.

- If you make a mistake with the amount you donated, you can simply text "refund" to 84321 within two hours of your donation and the donation will not be processed.

- By default, your donations will go to our general fund, however if you want to donate to our New Building fund or Church Planting fund you can do so by texting the amount, followed by “building” or “plant”. For Example,
 - If you want to donate \$25 dollars to our New Building fund, you would text “\$25 building” to 84321
 - Or, if you wanted to donate to our Church Planting fund, you would text “\$25 plant”
- If at any point you wanted to unsubscribe from Text to Give, you can simply text “STOP” to 84321.
