Romans 8:18-27

[Watch & Listen Now](#)

**v.18** – How has suffering impacted your relationship with God? Has it drawn you closer, or driven you away from Him?

**v.18, 23-25** – Why does Paul say that our present suffering is not worth comparing with the glory that will be revealed in us? How should future glory impact the way we walk through suffering today?

**v.20-22** – Why and in what ways is the creation groaning? How ‘green’ should Christians be – meaning, what is an appropriate response by the children of God to a ‘decaying’ world?

**v.23-25** – What is the difference between worldly hope and Biblical hope? What exactly are we hoping for? How might we effectively communicate this message of hope to those that are in desperate need of hope?

**v.26-27** – How often do you experience the ‘help’ of the Holy Spirit interceding for you? Why don’t we experience this ‘help’ more often? How might we cultivate a lifestyle of the Spirit of God ‘interceding on our behalf?’
