Romans 9:1-5

[Watch & Listen Now](#)

v.1-2 – When was the last time you experienced ‘great sorrow’ or ‘unceasing anguish’ within your heart? What was the reason(s)? How might we cultivate a ‘breaking heart’ for those who are currently separated from the love of God demonstrated in the Cross of Christ?

v.3 – Is there anyone that you’d be willing to ‘trade places’ with? How & why did Paul have such a heart for ‘his brothers’ that he’d be willing to trade eternal destinies for? Do we see this anywhere else in Scripture?

v. 4 – How is it that someone could have all the blessings of God (Israel) and yet still reject God? How do we see this today in our context/culture?

v. 1-5 – Can we be certain that Heaven is our eternal home? How certain are you? How should the reality of hell shape how we live and interact with the world around us?

As a Lifegroup, spend some time praying for those whom you know that don’t currently know Jesus Christ. Praying for softened hearts, and opportunities for you to share the Good News of Jesus Christ with them.
